Field Trips

The club field officer organizes regular trips, both near and far, for those who like to fossick for their own material. These trips may be for a day or longer and may be in buses provided or in convoy with your own vehicle.

Gem Show

In May each year the club holds a gem show this two day event attracts in excess of 2000 visitors. Members are encouraged to be involved for more details see the Gem Show brochure.

About the club

Formed in May 1965 the club objectives are:

To promote, foster and instruct the art of lapidary, silverwork and associated crafts.

To advance the social and intellectual welfare of the members by conducting functions of various kinds

The club has the resources necessary to enable members to facet gems, fabricate silver and gold jewellery and form objects in various materials

All members are required to abide by the "Workshop Rules and Procedures" and urged to attend monthly meetings

The Current Membership is approx 100
